

ONEONTA, N.Y. (March 8, 2018)—On March 2, 2018, Progressive Primary Care Solutions, Inc., a newly formed primary care nursing company aimed at improving the overall health of Otsego and surrounding counties, and communities across the nation, has been awarded a \$24,500 grant from Leatherstocking Collaborative Health Partners DSRIP to conduct community wellness screenings and partner with local nursing programs to provide community-based clinical rotations. PPCS, Inc. has been named clinical site affiliates with

Delhi College School of Nursing and looks forward to collaborating with Delhi to help develop and prepare the undergraduate and graduate nursing students for community-based care, leadership and population health management.

Progressive Primary Care Solutions will be at the Great American Tapestry at Cooperstown High School this Saturday, March 10, 2018, from 11 a.m-3 p.m. promoting childhood wellness and assisting families with referrals to navigation services and primary care services. On April 6 and 7, 2018, PPCS will be conducting blood pressure and glucose screenings at the Healthier Living Expo hosted by The New York State Department of Health at the Foothills in Oneonta from 10 a.m.-4 p.m. All wellness services provided at these events are free to the community.
